MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

FROM: Clay Johnson III
Deputy Director for Management

SUBJECT: Chief Acquisition Officers Council

This memorandum is to notify you of the establishment of the Chief Acquisition Officers (CAO) Council and to request that you inform the Office of Management and Budget of your CAO representative, if required. Section 1422 of the Services Acquisition Reform Act (SARA), 41 US.C. 403, et seq., establishes the CAO Council to be the principal interagency forum for monitoring and improving the Federal acquisition system. This role has been performed by the Federal Acquisition Council (FAC), which was established in February 2003 to promote acquisition-related aspects of the President's Management Agenda. Section 1421 of SARA amends Section 16 of the Office of Federal Procurement Policy Act, 41 US.C. 414, and identifies agencies required to designate a CAO.

After discussions with the FAC, we determined that the existence of two councils with overlapping responsibilities, agendas, and members would be confusing and an inefficient use of taxpayer resources. Thus, in addition to the responsibilities mandated by SARA, the CAO Council also will assume the responsibilities of the FAC.

Most agencies are considering adding CAO responsibilities to existing political appointee positions that have other areas of responsibility. Consequently, it may be difficult for the CAOs to attend Council meetings. In such cases, we encourage the CAO to delegate this responsibility.

Please provide us with the name, title, mailing and e-mail addresses, and phone and fax numbers of your agency's CAO and delegated representative to Council meetings. Your representative can be your agency's current FAC member. This information should be e-mailed to Robert A. Burton, Associate Administrator for Federal Procurement Policy (rburton@omb.eop.gov), by June 10, 2004.

The charter for the Council is attached. We look forward to working with your agency on acquisition initiatives. Please feel free to call Rob Burton at (202) 395-3302, if you have any questions.
