MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

FROM: Sean O’Keefe
Deputy Director

SUBJECT: Year 2001 Inventory of Commercial Activities

The “Federal Activities Inventory Reform Act of 1998,” P.L.105-270 (the FAIR Act), requires Federal agencies to prepare and submit to OMB, by June 30 of each year, inventories of their commercial activities performed by Federal employees. OMB is required to review each agency’s inventory and consult with the agency regarding its content. Upon completion of this review and consultation, the agency head must transmit a copy of the inventory to the Congress and make it available to the public. The FAIR Act then establishes a two-step administrative challenge and appeals process under which an interested party may challenge the omission or the inclusion of a particular activity on the inventory.

Director Daniels’ memorandum of February 14, 2001, highlighted the President’s government-wide management reforms, including the objective to expand A-76 competition and produce a more accurate FAIR Act inventory analysis. The year 2001 inventory will be the third FAIR Act inventory of commercial activities.

Please ensure that your inventories are received by OMB, as required by the Act, not later than June 30, 2001. Inventories should be submitted in the formats and in accordance with the guidance issued for the 2000 FAIR Act submissions. This guidance is available at the OMB website at: http://www.whitehouse.gov/omb/procurement/fair-index.html. Attachment 1 provides an expanded list of function codes that agencies may use for the 2001 inventory.

In addition, agencies are requested to submit, with their FAIR Act inventories, a separate report that lists the agency’s civilian inherently governmental positions. Military positions and other civilian employees that are exempt, as a class of employee, from the FAIR Act inventory of commercial functions should not be reported. This report should be in the same format and level of detail used for the 2001 FAIR Act inventory of commercial functions. The information will be used as a part of OMB’s statutory review and consultation process, but will not be released as a part of the FAIR Act inventory nor will it be subject to the FAIR Act’s administrative challenge and appeal process.

Please address any questions regarding the development of the 2001 FAIR Act inventory or the report to OMB on inherently governmental positions to Mr. David Childs, Office of Federal Procurement Policy, at (202) 395-6104.

Attachment
The following list of Function/Activity Codes will be used to complete the Year 2001 FAIR Act inventory of commercial activities. The Function Codes provide a standardized way for an agency to describe those activities which the agency has determined are commercial in nature, based on the agency’s application of the criteria in OFPP Policy Letter 92-01 and the FAIR Act. Given the wide range of activities described, the inclusion of an individual Function Code on the list does not mean that work which might be described by that Code is necessarily "commercial" in that agency. The agency must evaluate the work under Policy Letter 92-01, and in so doing take into consideration the context in which the work is performed. While agencies may augment these Function Codes *for internal use*, by adding to the existing alphanumeric codes provided, agencies may not create new codes or add additional codes in the submission to OMB. Agencies are to use only the following approved Function Codes in their June 2001 submission, unless otherwise approved in advance by OMB.
